The screenshot shows the app interface for a camper named JENNY. At the top, there is a blue header with a close button (X) and the name 'CAMPER, JENNY'. Below the header, a message box states 'Forms have not been uploaded.' The main form area has a blue background. It includes a 'T-SHIRT SIZE' section with a dropdown menu currently showing 'Adult S'. Below this is a 'CAMPER TEMPERATURE' section with a red asterisk and a text input field labeled 'Enter here'. Underneath is a 'COMMENTS' section with another text input field labeled 'Enter here'. At the bottom of the screen is a large green button labeled 'CHECK-IN'.

The app can be downloaded on Apple or Android devices from the App Store/Google Play Store by searching “Ryzer”/“RyzerGo” or by scanning the QR codes below. You can log in to Ryzer Go with the same credentials used to access the Event Management System (EMS).
